What's WorkSource?

WorkSource is a partnership of organizations dedicated to developing a workforce with the skills your business needs. We strive to promote business results, individual success and economic growth in our communities.

Our business solutions professionals can help you make the connections you need to grow and sustain your business, including:

- Workforce planning.
- Labor market data and forecasts.
- Online recruitment tools.
- Staffing resources.
- Tax incentives.
- Worker training.
- Layoff aversion and/or assistance.

The WorkSource network of service providers includes local workforce councils, state and local agencies, training providers and others. The services are free thanks to our careful stewardship of public funding and leveraged resources.

Listen. Learn. Respond.

We listen to understand you, your business and its needs. Then, we provide solutions to help you recruit and retain the right talent.

Whether you need to hire new employees or grow the skills of your current staff, WorkSource can help.

Recruit. Retain. Resolve.

WorkSource provides tools and resources to help manage your business' talent needs.

WorkSourceWA.com

WorkSourceWA.com is the state's award-winning job board. It provides free job postings and proven technology to find talent more easily. WorkSourceWA.com also offers the largest talent database in the state and other resources helpful to your business.

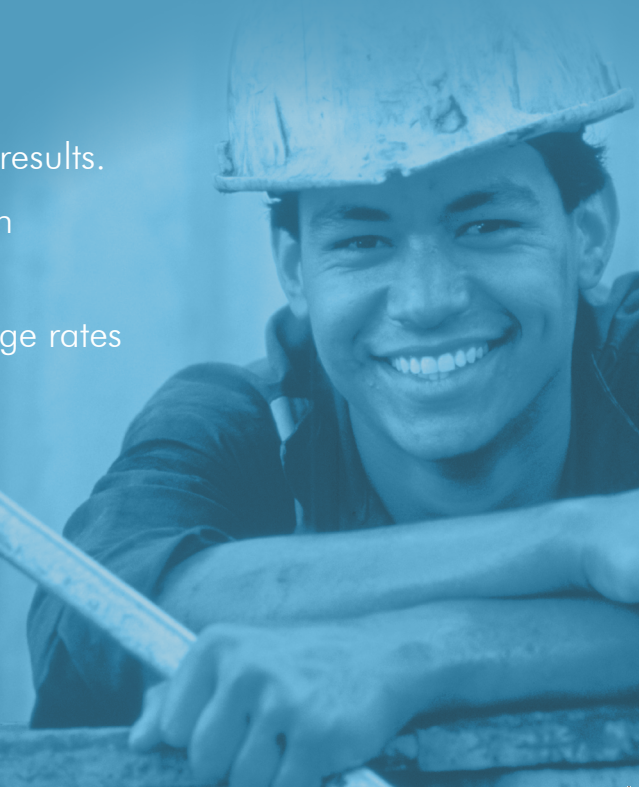

Personalized support

While support for most recruitment websites ends at the keyboard, WorkSource business solutions professionals can provide additional staffing assistance.

We can help you:

- Craft job postings for improved results.
- Convene job candidates through job fairs and hiring events.
- Establish market-competitive wage rates to attract and retain talent.
- Identify possible tax credits.
- Grow skilled workers with apprenticeships, internships and training options.
