

# SUBAWARD INFORMATION TABLE

Program Year 2018 and Fiscal Year 2019 Workforce Innovation and Opportunity Act Title I Grants  
Requirements for Pass-through Entities per 2 CFR 200.331 and System Policy 5250

This federal funding information table is incorporated by reference into all PY18/FY19 WIOA Adult, Dislocated Worker, Youth, and Admin Cost Pool (ACP) grants. It includes required subaward and subrecipient information, per 2 CFR 200.331 and System Policy 5250, for PY18 and FY19 WIOA Adult, Dislocated Worker, and Youth funds awarded by USDOL to the Washington State Employment Security Department (ESD). ESD will update this information on an ongoing basis to ensure all required information is incorporated in WIOA subaward grants. Subrecipients will receive notification emails from ESD when this information is updated.

On the pages which follow, required subrecipient and subaward information is organized by each Workforce Development Council. Citations to 2 CFR 200.331 have been included as references.

If a WDC believes information in this table is missing or incorrect, they are asked to notify ESD promptly by contacting the appropriate points-of-contact identified below.

This list of points-of-contact by topic may also be used to direct inquiries to subject matter experts at ESD. Please include ESD Workforce Initiatives when submitting WIOA grant inquiries by copying [esdgpworkforceinitiatives@esd.wa.gov](mailto:esdgpworkforceinitiatives@esd.wa.gov).

<p>Washington received Workforce Innovation and Opportunity Act (WIOA) funding for Adult, Dislocated Worker, and Youth programs that provide employment counseling, work experience, and work readiness and occupational training. Most of these funds are passed through to 12 Workforce Development Councils that operate local WIOA programs. Recipients of public assistance and other low-income individuals are priority recipients of Adult funds. Dislocated Worker funds go toward providing services and education that most efficiently and effectively help dislocated workers and veterans obtain employment. The majority of Youth funds will be used to operate work experiences throughout the year that introduce youth to the rigors, demands, rewards, and sanctions associated with holding a job. WIOA training services may include: occupational skills training; on-the-job training; and programs that combine workplace training with related instruction, including registered apprenticeships, training programs operated by the private sector, skill upgrade and retaining, entrepreneurship training, adult education and literacy training, and customized training.</p>

Recipients of public assistance and other low-income individuals are priority recipients of Adult funds. Dislocated Worker funds go toward providing services and education that most efficiently and effectively help dislocated workers and veterans obtain employment. The majority of Youth funds will be used to operate work experiences throughout the year that introduce youth to the rigors, demands, rewards, and sanctions associated with holding a job. WIOA training services may include: occupational skills training; on-the-job training; and programs that combine workplace training with related instruction, including registered apprenticeships, training programs operated by the private sector, skill upgrade and retaining, entrepreneurship training, adult education and literacy training, and customized training.</p>

Federal Award Project Description (below)		2 CFR 200.331(ix)
<p>Washington received Workforce Innovation and Opportunity Act (WIOA) funding for Adult, Dislocated Worker, and Youth programs that provide employment counseling, work experience, and work readiness and occupational training. Most of these funds are passed through to 12 Workforce Development Councils that operate local WIOA programs. Recipients of public assistance and other low-income individuals are priority recipients of Adult funds. Dislocated Worker funds go toward providing services and education that most efficiently and effectively help dislocated workers and veterans obtain employment. The majority of Youth funds will be used to operate work experiences throughout the year that introduce youth to the rigors, demands, rewards, and sanctions associated with holding a job. WIOA training services may include: occupational skills training; on-the-job training; and programs that combine workplace training with related instruction, including registered apprenticeships, training programs operated by the private sector, skill upgrade and retaining, entrepreneurship training, adult education and literacy training, and customized training.</p>
