WIN Title: Recognizing WorkSource Business Partners: HIRE Vets Medallion Award

**Date:** April 19, 2019

**Expiration:** N/A

#### Purpose:

To provide guidance to the WorkSource System in the promotion of the HIRE Vets Medallion Program to its local employer partners.

#### Action Required:

Local Workforce Development Boards and their contractors, as well as Employment Security Regional Directors, must distribute this guidance broadly throughout the system to ensure that WorkSource System staff are familiar with its content and requirements.

### Content:

The Honoring Investments in Recruiting and Employing American Military Veterans Act of 2017 (HIRE Vets Act) led to implementation in 2019 of the HIRE Vets Medallion Award Program, which recognizes employers who hire and retain veterans, along with their efforts to establish employee development programs and veteran specific benefits to improve retention.

Award recipients can use the medallion to market and promote their firms as veteran-ready businesses and for recruiting purposes. Employers' pursuit of the award can lead to increased focus on hiring and retaining veterans.

Employers that meet the criteria established in the rule will receive a "HIRE Vets Medallion Award" each year they apply and there is no limit on the number of years they can apply. There are two award tiers, Platinum and Gold, for large employers (500 or more employees), medium employers (51-499 employees), and small employers (50 or fewer employees). Details on the award criteria may be found at <u>HIREVets.gov</u>.

#### **Application Schedule**

Beginning in 2019 and annually thereafter, the U.S. Department of Labor (DOL) will:

- Directly solicit applications from employers through January 31;
- Stop accepting applications on April 30;
- Finish reviewing applications no later than August 31;

The WorkSource System is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Language assistance services for limited English proficient individuals are available free of charge.

- Select employers to receive HIRE Vets Medallion Awards no later than September 30;
- Notify employers that receive HIRE Vets Medallion Awards no later than October 11; and,
- Announce award recipients at a time coincident with Veterans Day.

#### Promoting the HIRE Vets Medallion Program across the WorkSource System

The system works closely with employers of all sizes to help them with their workforce needs. Additionally, the system provides priority of service to veterans in their career and training service needs.

Given the unique role the system plays in working with employers and veterans, it can be a strong advocate for the HIRE Vets Medallion Program. By taking an active role in promoting the HIRE Vets Medallion Program, the system can ensure that its local employer partners are recognized for their commitment to hiring the nation's veterans.

To expand awareness and promote the HIRE Vets Medallion Program, the WorkSource System can:

- Leverage state and local business service teams, including Local Veterans' Employment Representatives (LVERs), to inform local employers about the program and its benefits;
- Leverage business-led state and local workforce development boards to develop strategies to expand the awareness of and participation in the program;
- Engage other WIOA-partner programs to expand awareness of the HIRE Vets Medallion Program.
