

## Trade Adjustment Assistance (TAA) Policy Employment System Administration and Policy

---

Washington envisions a nationally recognized fully integrated One-Stop system with enhanced customer access to program services, improved long-term employment outcomes for job seekers and consistent, high quality services to business customers. In order to achieve this vision, Employment System Administration and Policy sets a common direction and standards for Washington's WorkSource system through the development of WorkSource system policies, information memoranda, and technical assistance.

---

**Policy Number:** 3020 (2002 Amendments)

**To:** Washington WorkSource System

**Effective Date:** September 20, 2017

**Subject:** Trade Adjustment Assistance (TAA) Overpayments and Waivers under the 2002 Amendments

### 1. Purpose:

To communicate guidance on overpayments and waivers for workers eligible for Trade Adjustment Assistance (TAA).

### 2. Background:

Under Trade Act as amended, states are given latitude to determine if TAA overpayments can be waived. Trade Readjustment Allowances (TRA) overpayments and waivers are addressed separately through the Unemployment Tax and Benefits (UTAB) system.

### 3. Policy:

If the department or a court determines that any individual received any TAA program benefits to which the individual was not entitled, the individual will be notified by ESD and is liable to repay the amount of such benefits to the state agency.

Unless an overpayment is due to [fraud](#), recovery of TAA overpayments will be waived if it would cause a financial hardship for the individual or the individual's household. ESD will take into consideration the income and resources reasonably available to the individual or household and other ordinary living expenses of the individual.

The participant must request an overpayment waiver, in writing, from ESD, which will approve or deny the waiver. If the waiver is approved, the individual and TAA case manager will be notified. If the waiver is denied, ESD must recover the overpayment. All steps taken regarding approval or denial of waivers will be appropriately documented.

#### **4. Definitions:**

##### **Fraud**

If a State agency or a court of competent jurisdiction finds that any person or individual:

- Knowingly has made, or caused another to make, a false statement or representation of a material fact
- Knowingly has failed, or caused another to fail, to disclose a material fact; and as a result of such false statement or representation, or of such nondisclosure, such individual has received any TAA payment to which the person or individual was not entitled, such person or individual shall, in addition to any other penalty provided by law, be ineligible for any further payments under TAA
