

Workforce Innovation and Opportunity Act Policy
Employment System Administration and Policy

Washington envisions a nationally recognized fully integrated One-Stop system with enhanced customer access to program services, improved long-term employment outcomes for job seekers and consistent, high quality services to business customers. In order to achieve this vision, Employment System Administration and Policy sets a common direction and standards for Washington's WorkSource system through the development of WorkSource system policies, information memoranda, and technical assistance.

Policy Number: 5260, Revision 3
To: Washington WorkSource System
Effective Date: November XX, 2021
Subject: Allowable Cost and Prior Approval Requirements

1. Purpose:

Commercial organizations, for profit entities, and foreign entities that are recipients and subrecipients of a Federal award must follow 2 CFR part 200, including any exceptions identified by the Department under 2 CFR part 2900, and the Federal Acquisition Regulations (FAR), including 48 CFR part 31.

20 CFR 683.235 prohibits the purchase or construction of facilities, except with the prior written approval of the Secretary.

In accordance with 2 CFR Part 230 Appendix B, Section 15, Employment Security Department requires that all entities receiving WIOA funds request and obtain prior approval for all single item equipment and capital improvement purchases that cost \$5,000 or more.
