TO: Workforce Development System Partners
FROM: Amy Smith-Rubeck, Deputy Assistant Commissioner
SUBJECT: Final Revised FY 12 Allocation Planning Levels

Purpose:

Training and Employment Guidance Letter (TEGL) 09-11 imposed the following two changes to the 2011 WIA funds:

1. A rescission of 1.503% was applied to FY 12 WIA allocations
2. The 10% Governor's Reserve funds were transferred to FY 12 local allocations

Revised FY 12 allocation worksheets were sent to local areas on November 2. It was subsequently determined that the rescission was not applied to the Rapid Response allotment. The attached FY 12 allocation worksheets reflect the correction and resulting additional funds awarded to local areas.

Action Required:

Grant modifications will be issued within the next week to each local area. Please complete the modifications upon receipt and return two signed copies to Donna Fussell in the Grants Administration Unit for processing.
