**1. Background**

Department of Labor's Employment and Training Administration (DOLETA) recently issued Training and Employment Guidance Letter (TEGL) 25-13. This TEGL outlines the process for negotiations between the state and DOLETA Region 6 concerning WIA Title 1-B and Wagner-Peyser Act performance targets. The intent of performance negotiation is to drive continuous improvement and enhance customer satisfaction through target setting.

The state recently completed the negotiation process, establishing nine agreed-upon levels of performance for the WIA Adult, Dislocated Worker and Youth programs, along with the three Wagner-Peyser measures. The three adult common measures will be applied separately to the

WIA Adult and Dislocated Worker programs, and the three youth common measures will be applied to the WIA Youth program. For more information on these measures please refer to [WorkSource Policy 1002](#).
