

A man in a white shirt and red apron is kneeling in a brewery, working with large metal tanks. He is holding a glass and appears to be sampling or adjusting something. The background shows several large, shiny metal tanks and pipes, typical of a brewery or distillery.

Attention businesses: Registered Apprenticeship may be right for you

Apprenticeship works nicely for building trades, technology, healthcare, manufacturing and more.

More than 4,500 Washington businesses, representing over 180 different occupations, sponsor apprenticeships.
