

## How to move your bookmarks/favorites to Edge or Chrome

Open an Edge or Chrome window:

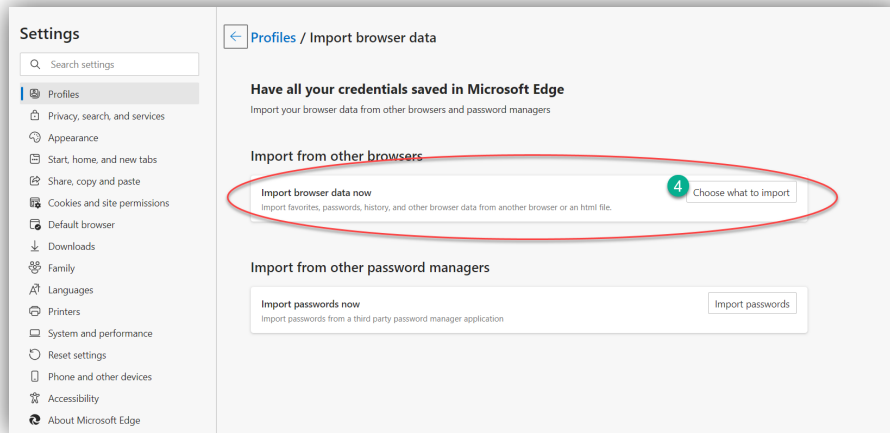

1. Click on the ellipsis (the three dots) in the top right-hand corner of your screen
2. Click *Settings*

3. Click *Import browser data*

4. Click *Choose what to import*

5. Select *Microsoft Internet Explorer*

6. Leave the following options check-marked:

- a. Favorites or bookmarks
- b. Browsing history
- c. Home page
- d. Open tabs

\*\* For security reasons be sure to UNCHECK the following options:

- e. Saved passwords
- f. Cookies

7. Click *Import*
