A list of decisions made regarding the current claim will be displayed.

- To file an appeal select the link **File an appeal** on the right-hand side for the decision you wish to appeal.
- The option to **File a CRO petition** will appear 5 days after an Initial Order is given by OAH that upholds ESD's decision to deny benefits.

Note: Appeal / petition must be filed within 30 days of denial to be timely.

The screenshot shows a user interface for a UI claim. At the top, there is a dark blue header with a hamburger menu icon, the text "UI claim", and a "Welcome Bob Smith" message with a "Settings" gear icon. Below the header, there are three main sections: "Account" (showing "Bob Smith" and "Last logged in May 15, 2017"), "Account alerts" (showing "There are no alerts"), and "I want to" (with links for "Restart my claim to begin filing again", "Register for training benefits", and "Request standby"). A navigation bar below these sections contains tabs for "Weeks summary", "Decisions status" (which is highlighted), "Benefits", "Recent items", "Names and addresses", and "Report change". Under the "Decisions status" tab, there is a "Decisions" section with a "Filter" button. A table lists decisions with columns for "Sent", "Letter ID", "Benefit year begin", "Resolution type", "Employer (if applicable)", "Status", and "Action". The table has two rows: one for "Aug 1 2017" with "Waiting Week" resolution, and one for "Jun 21 2017" with "AA Single Reason" resolution. An orange arrow labeled "Step 3 Click on file an appeal" points to the "Action" column of the second row, where "File a CRO petition" is highlighted in yellow. A red circle with the number "3" is also present near the arrow.
